

What does	purple	red	blue	orange	green	yellow	turquoise
purple think of	Normal (safe)	Aggression is dangerous for the group. Disturbing the balance	Values system over the group. Mechanical. Does not see nature and mankind	Abuse dangerous for the group. Ruins social coherence and nature for self interest	Focus on individual dangerous for the group. Long-winded where silence says more	Too rational. Blasphemous, denies the divine. Wants to analyse everything	Strange, seems from a different world
red think of	Childish. Hides behind the group	Normal	Cowardly. Hides behind rules. Naive. Does not see he/she is being used	Unreliably, simply drops out of self-interest	Cowardly, avoids every confrontation. Understanding attitude is patronizing	Avoids confrontation through words. Muddled and unpractical with all that theory	Strange, cowardly. Does not stand up for himself
blue think of	Magical. Works according to a primitive order	Aggressive. Breaks the rules for direct self-interest	Normal	Unreliable and selfish. Always focused and guided by own goal	Disorganised. Tries to avoid duty through words. Naive about system abuse	Chaotic. Sees a problem in every solution. Does not finish anything	Strange, is not attached to any system
orange think of	Living in the past. Aimless, this will not get you anywhere	Fast decision maker. Short-sighted. Too impulsive. Not constructive	Reliable but rigid. Does not understand goals. Slow. Easily manipulated	Normal	Unrealistic and soft. Denies inequality. Slow, due to too much consultation	Creative and smart. Theoretical and complicating. Does not undertake action	Strange, invisible, by not positioning. Forgets self-interest
green think of	Narrow-minded. Too much focus on own group	Scary, unpredictable. Egocentric. Ruins atmosphere and good relations	Impersonal. Values rules over people and relationships	Opportunistic and abusive. Get's results, at any price. Arrogant	Normal	Non-committing. Untouched by personal emotions. Does not conform	Strange. Is social, but does not attach to group or individual
yellow think of	Ignorant. Wants to believe instead of analysing and understanding. Living in the past	Thoughtless. Chooses confrontation without content. Does not see complexity	Obstructive from fear of making mistakes. Wants order instead of solutions	Handy, without depth. Uses knowledge only instrumentally	Kind, but fearful and interfering. Not open to feedback or criticism. Creating taboos	Normal	Intriguing. Little concentrated. Cannot explain concepts.
turquoise think of	Fearful. Original but ignorant. Connected to nature	Obsessed with respect and pecking order.	Gloomy, too much focused on security	consumerist, vain and egocentric	Small-minded because of ideology and equality dogma	Too mental. Unrealistic expectations of ideas and technology.	Normal
